

Sr No	Subsidy Scheme Name	Ministry	Description	Visiting link to know more	Applicability
1	Amended Technology Upgradation Fund Scheme (ATUFS)	Ministry of Textiles, Govt. of India	<p>Scheme Summary/key features:</p> <p>ATUFS scheme will provide one-time capital subsidy for investments in employment and technology intensive segments of textile value chain keeping in view promotion of exports and import substitution. This is a credit linked scheme and projects for technology upgradation covered by a prescribed limit of term loans sanctioned by the lending agencies only will be eligible for grant of benefits under the scheme. Second hand machinery will not be eligible. The scheme will be effective till 31 March 2022.</p> <p>Eligibility: Only those entities that fall under the following sectors are eligible to apply:</p> <ul style="list-style-type: none"> Weaving, Weaving Preparatory and Knitting Processing of fibres, yarns, fabrics, garments and made up Handloom Sector Silk Sector Jute Sector Garment/Made up manufacturing Technical textiles <p>Amount or Percentage of Subsidy: For Garmenting and technical textiles segment the rate of Capital-Intensive Subsidy is 15% of eligible machines subject to a cap of Rs.30 Crore per individual entity.</p> <p>Weaving for brand-new shuttle less looms processing jute silk and handlooms - 10% on eligible machines subject to a cap of Rs.20 Crore to individual entity.</p> <p>Composite unit/ multiple segment -If the eligible capital investment in respect of garmenting and technical textile category is more than 50% of the eligible project cost the subsidy is 15% on eligible machines subject to a cap of Rs.30 Crore. If it is less than 50% of eligible project cost the subsidy is 10% of eligible machines with a cap of Rs.20 Crore</p>	https://www.startupindia.gov.in/content/sih/en/government-schemes	Central
2	Integrated Development of Leather Sector (IDLS) Scheme	Ministry of Commerce & Industry Govt.of India through Council for Leather Exports(CLE)	<p>Scheme summary/key features:</p> <p>IDLS Scheme provides investment grant for modernization, technology upgradation and capacity expansion in all segments of the leather industry. The scheme provides financial assistance @ 30% of the cost of plant and machinery for SSI units and 20% of the cost of the plant and machinery for Non-SSI units, subject to a ceiling of Rs.200 lakh (@ 20% to all units above the assistance of Rs.50 Lakh). The IDLS Scheme is implemented through multiple agencies The DIPP has taken a decision that the financial assistance / investment grant under the IDLS Scheme would be approved for tanneries operating in all parts of the country, subject to submission of certificate from Department of Industries of State Government / State Pollution Control Board regarding compliance of environmentally sound waste water management by the applicant unit(s).</p>	http://leatherindia.org/	Central

			<p>Eligibility: All existing units in leather footwear and accessories industries including tanneries leather goods saddlery, leather footwear non leather footwear and footwear component sector having cash profits for 2 years undertaking viable and bankable programmes on technology upgradation on or after 1st January 2016,</p>		
			<p>Amount or Percentage of subsidy: Back end subsidy as mentioned in scheme summary above</p>		
3	Credit Linked Capital Subsidy Scheme for Technology Upgradation (CLCSS)	Ministry of MSME, Govt. of India	<p>Scheme summary:</p> <p>The Scheme aims at facilitating Technology Upgradation of Micro and Small Enterprises by providing 15% capital subsidy [ceiling of 15 lakh] on institutional finance availed by them for induction of well-established and improved technology in approved sub-sectors/products.</p> <p>The admissible capital subsidy is calculated with reference to purchase price of Plant and Machinery. Maximum limit of eligible loan for calculation of subsidy is 100 lakh. Operational Procedure under CLCSS scheme is now online and a paperless process</p> <p>Eligibility: Small and micro-enterprises that belong to -sub-sectors specified by the Ministry of MSME will be deemed eligible for this subsidy scheme.</p> <p>Both new and existing enterprises can avail subsidy under this scheme.</p> <p>Small and micro-enterprises based in semi-urban and rural areas with a valid UAM number are also eligible.</p> <p>Typically, the enterprises include – sole-proprietorship, private limited companies, tiny industries, khadi, coir units, partnerships, village industries, etc.</p> <p>Banks and financial institutions can apply to DC-MSME for availing support.</p> <p>MSMEs need to directly contact the respective banks for getting credit and capital subsidy.</p> <p>Amount or Percentage of subsidy: According to the revised CLSS scheme, an extra 10% subsidy is extended to entrepreneurs who belong to the SC/ST category and hail from the selected districts of the North-East or other hilly terrains.</p>	https://my.msme.gov.in	Central
4	Technology & Quality Upgradation Support for MSMEs (TEQUP)	GMinistry of MSME, Govt. of India	<p>Scheme summary/key features:</p> <p>Cost of energy is an important component of the cost structure in any manufacturing process. As such, to reduce production costs and remain competitive, MSMEs need to focus on economising on energy use. The first objective of the present Scheme is to sensitize the manufacturing MSME sector in India to the use of energy efficient technologies and manufacturing</p>	<p>http://www.dcmsme.gov.in/schemes</p> <p>http://www.dcmsme.gov.in/scheme</p>	Central

		<p>processes so as to reduce cost of production and the emissions of GHGs. Activities under the scheme are: i. Capacity Building of MSME Clusters for Energy Efficiency/Clean Development Interventions and other technologies mandated as per the global standards. ii. Implementation of Energy Efficient Technologies (EET) in MSME units. iii. Setting up of Carbon Credit Aggregation Centres (CCA) for introducing and popularising clean development mechanism (CDM) in MSME clusters. iv. Encouraging MSMEs to acquire product certification/ licences from National/International bodies and adopt other technologies mandated as per the global standards. v. Study of Impact of the scheme, administrative and other miscellaneous items.</p> <p>Eligibility: MSME clusters identified</p> <p>Amount or percentage of subsidy:</p> <p>Towards organizing the awareness programmes, the Government of India will provide financial support to the extent of 75% of the actual expenditure, subject to maximum Rs.75,000/- per programme (Average cost of one programme is expected to be Rs. 80,000).</p> <p>The Government of India will provide financial support to the extent of 25% of the project cost for implementation of Energy Efficient Technologies (EET), as per the approved DPR. The maximum amount of GOI assistance from the scheme will be Rs.10 lakhs (Average subsidy for one EET project is estimated to be Rs. 5.0 lakh).</p> <p>For setting up CCA centres The Govt. of India will provide financial support to the extent of 75% of the actual expenditure, subject to a maximum Rs.15 lakh for establishing each of these centres. (Average cost of setting up of one CCA is expected to be Rs. 15.0 lakh). The remaining expenditure will have to be met by the implementing agency/ SPV through collection of users' charge</p> <p>For acquiring product certification licences from national/international bodies MSME manufacturing units will be provided subsidy to the extent of 75% of the actual expenditure, towards licensing of product to National/International Standards. The maximum GOI assistance allowed per MSME is Rs.1.5 lakh (Average Rs. 0.75 lakh) for obtaining product licensing /Marking to National Standards and Rs. 2.0 lakh (Average Rs. 1.50 lakh) for obtaining product licensing /Marking to International standards</p>		
5	Government Subsidy for Small Business for Cold Chain	<p>Ministry of Food Processing Industries, Govt. of India</p> <p>Scheme summary/key features:</p> <p>The objective of the scheme of Cold Chain, Value Addition and Preservation Infrastructure is to provide integrated cold chain and preservation infrastructure facilities without any break from the farm gate to the consumer.</p> <p>It covers pre-cooling facilities at production sites, reefer vans, mobile cooling units as well as value addition centres which includes infrastructural facilities like Processing/Multi-line Processing/ Collection Centres, etc. for horticulture, organic produce, marine, dairy, meat and poultry etc.</p> <p>Eligibility: Individual, Groups of Entrepreneurs, Cooperative Societies, Self Help Groups (SHGs), Farmers Producer Organizations (FPOs), NGOs, Central/State PSUs etc. with business interest in Cold Chain solutions are eligible to setup integrated cold chain and preservation infrastructure and avail grant under the Scheme Amount of subsidy or percentage: For storage infrastructure including Pack House and Pre cooling unit, ripening chamber and transport infrastructure, grant-in-aid @ 35% for General Areas and @ 50% for North East States, Himalayan States, Islands & ITDP Areas, of the total cost of</p>	<p>http://mofpi.nic.in/</p>	Central

			<p>plant & machinery and technical civil works will be provided. (b) For value addition and processing infrastructure including frozen storage/ deep freezers associated and integral to the processing, grant-in-aid @ 50% for General Areas and @ 75% for North East States, Himalayan States, Islands & ITDP Areas, will be provided. (c) For irradiation facilities grant-in-aid will be provided @ 50% for General Areas and @ 75% for North East States, Himalayan States, Islands & ITDP Areas</p>		
6	Extension of Financial Assistance to Coir units in the Brown Fibre sector	Ministry of MSME, Govt. of India	<p>Scheme summary/key features: The Coir Board runs a scheme for financial assistance to the coir units in the brown fibre sector.</p> <p>Eligibility: Coir Units desiring to avail of the assistance under the scheme should be registered with the Coir Board under the Coir Industry (R&L) Rules 1958 and also with the Industries Department of the State in which the Unit is located. Assistance under the scheme will be extended only to units outside the cooperative fold. The Units for extraction of coir fibre / spinning of coir yarn should be located in areas with adequate availability of coconut husk / coir fibre.</p> <p>Amount or percentage of subsidy: The rate of financial assistance under the scheme is 25% of the cost of equipment and infrastructural facilities subject to certain ceiling limits based on the type of unit</p>	http://coirboard.gov.in	Central
7	Scheme for Extension of Financial Assistance for Generator Set / Diesel Engine	Ministry of MSME, Govt. of India	<p>Scheme summary/key features:</p> <p>The purpose of the scheme is to give one-time subsidy to fibre/ curled coir production units in the brown fibre sector to carry out production at periods of power cut/ low voltage and to ensure supply of brown fibre and curled coir to meet the requirements of rubberized coir products, coir rope, yarn and mats and matting sectors.</p> <p>Eligibility: The units which satisfy the following are only eligible for subsidy under the scheme.</p> <p>The unit should have a valid registration with the Coir Board under the Coir Industry (R & L) Rules 1958</p> <p>The unit should have a final SSI registration with the Industries Department of the State concerned.</p> <p>The unit should produce a No Objection Certificate from the State Electricity Board for installation of generator set as per rules in the State concerned.</p> <p>The capacity of generator set should be subject to the requirement of the unit as specified in the registration certificate.</p> <p>A three phase power supply should be available in the unit</p> <p>The application for generator subsidy should be recommended by the General Manager, DIC.</p> <p>The unit should obtain a clearance to the proposal in advance from the Regional Officer of the Coir Board concerned to the State.</p> <p>Amount or Percentage of subsidy: The quantum of subsidy for one unit will be 25% of the cost of generator set subject to a maximum of 50000/-. This will be a onetime financial assistance and will be granted on the basis of expenditure incurred by the unit</p>	http://coirboard.gov.in	Central
8	Marketing	Ministry of	Scheme summary/key features	https://www.nsic.co.in/schemes	Central

	Assistance Scheme by NSIC	MSME, Govt. of India	<p>The marketing assistance scheme provides assistance for the following activities:</p> <p>Organisation of exhibitions abroad and participation in international exhibitions/ trade fairs Co-sponsoring of exhibitions organised by other organisations/industry associations/ agencies; Organising buyer-seller meets, intensive campaigns and marketing promotion activities.</p> <p>Eligibility: MSMEs, Industry Associations and other organisations related to MSME sector are eligible to apply.</p> <p>Amount or percentage of subsidy:</p> <p>The maximum net budgetary support for participating in an international exhibition/trade fair would normally be restricted to an overall ceiling of Rs. 30 lakh per event (Rs. 40 lakh for Latin American countries). The budget for organizing the Domestic Exhibitions/Trade Fair would depend upon the various components of the expenditure, i.e. space rental including construction and fabricating charges, theme pavilion, advertisement, printing material, transportation etc. However, the budgetary support towards net expenditure for organizing such exhibition/trade fair would normally be restricted to a maximum amount of Rs. 45 lakhs. The corresponding budgetary limit for participation in an exhibition/trade fair shall be Rs. 15 lakh Financial assistance will be provided ranging from 25% to 95% of the Air-Fare and space rent to entrepreneurs on the basis of size and type of the enterprise. Financial assistance for co-sponsoring an event would be limited to 40% of the net expenditure, subject to a maximum amount of 5 lakh.</p>		
9	ISO 9000/ISO 14001 Certification Reimbursement Scheme	Ministry of MSME, Govt. of India	<p>Scheme Summary/key features: The scheme provides incentives to those SMEs/ancillary undertakings who have acquired ISO 9000/ISO 14001/HACCP certification. The scheme is enlarged so as to include reimbursement of expenses for acquiring ISO 14001 certification.</p> <p>Eligibility: Permanent registered micro and small enterprises (MSEs) are eligible to avail the incentive scheme. The scheme is applicable to those MSEs/ancillary/SSSB units who have already acquired ISO-9000/ISO-14001/HACCP certification.</p> <p>Amount or percentage of subsidy: The scheme envisages reimbursement of charges for acquiring ISO-9000/ISO- 14001/HACCP certification to the extent of 75% of expenditure subject to a maximum of Rs.75,000 in each case.</p>	https://my.msme.gov.in/	Central
10	Marketing support/Assistance to MSMEs (Bar code)	Ministry of MSME, Govt. of India	<p>Scheme summary/key features: Under this scheme the Ministry conducts seminars and reimburses registration fees for bar coding in order to encourage MSEs to use bar-codes.The basic objective of this scheme is to enhance the Marketing competitiveness of Micro & Small Enterprises (MSEs)</p>	https://www.startupindia.gov.in	Central

		<p>Eligibility: Those MSEs who have Entrepreneurial Memorandum Part- II acknowledgement number from Directorate of Industries/ District Industries Centres and also have registration with GS1 India for use of Bar Codes are eligible</p>						
		<p>Amount or percentage of subsidy: 75% of one-time registration fee and annual recurring fee (for first three years) paid by MSEs to GS1 India (GS1 India, an autonomous body under Ministry of Commerce & Industry, Government of India.</p>						
11	Support for Entrepreneurial and managerial development of SMEs	Ministry of MSME, Govt. of India	<p>Scheme summary/key features:</p>	<p>https://www.startupindia.gov.in/</p>	All India			
			<p>The Scheme provides early stage funding for nurturing innovative business ideas (new indigenous technology, processes, products, procedure etc.) which could be commercialized in a year. The main objective is to promote development of knowledge-based innovative ventures and to improve the competitiveness and survival instincts of the Micro, Small and Medium Enterprises (MSMEs).</p>	<p>http://www.dcmsme.gov.in/schemes/SUPPORTFOREM DTI.pdf</p>				
			<p><u>Eligibility: Any individual or MSME with innovative ideas ready for commercialisation can apply to the host institution (e.g., IITs, NITs, technical colleges, research institutes, etc.) in order to obtain fund support. See the list of host institutions at following web address: http://www.dcmsme.gov.in/schemes/Institutions_Detail.pdf</u></p>					
			<p>Any technical institution (as given in the EoI) that wants to become a host institution can apply to the office of the Development Commissioner-MSME or their nearest MSME-DI for funding support.</p>					
			<p>Amount or percentage of subsidy:</p>					
			<p>Funding support for setting up of 'Business Incubators (BI)': The cost may vary from Rs 4 to 8 lakh for each incubatee/idea, subject to overall ceiling of Rs 62.5 lakh for each BI.</p>					
			<p>a) Upgradation of infrastructure Rs 2.50 lakh</p>					
			<p>b) Orientation/training Rs 1.28 lakh</p>					
			<p>c) Administrative expenses Rs 0.22 lakh</p>					
			<p>Total assistance per BI Rs 66.50 lakh</p>					
			<p>Around 10 ideas will be incubated by the BI</p>					

12	Lean Manufacturing competitiveness schemes for MSMEs	Ministry of MSME, Govt. of India	<p>Scheme summary/key features: The objectives of the Scheme are to enhance the manufacturing competitiveness of MSMEs through the application of various Lean Manufacturing (LM) techniques</p> <p>Under the Scheme, MSMEs will be assisted in reducing their manufacturing costs, through proper personnel management, better space utilization, scientific inventory management, improved processed flows, reduced engineering time and so on. LMCS also brings improvement in the quality of products and lowers costs, which are essential for competing in national and international markets. Awareness programmes and workshops are being organized to create awareness among the entrepreneurs and motivated to form mini clusters comprising of 6 to 10 units.</p> <p>Lean Management consultants will work with the specially formed team Special Purpose Vehicle (SPV)/Distinct Product Group (DPG) for Lean Management in the unit for 18 months.</p> <p>Eligibility: Industry associations / Group of approx. 10 MSME units which qualify under MSME-Development Act, 2006 willing to form SPV (Mini Cluster)</p> <p>Amount or percentage of subsidy: A financial support by the Government of India up to a maximum of 80% of the Consultant fees for each Mini Cluster will be provided. Remaining 20% is to be borne by the beneficiaries MSME units.</p>	https://www.startupindia.gov.in	Central
13	Prime Minister Employment Generation programme(PMEGP)	Ministry of MSME, Govt. of India	<p>Scheme summary/key features: PMEGP is a credit-linked subsidy programme. The scheme contributes significantly to create job opportunities and boost the social and economic growth of the country. The scheme is implemented by Khadi and Village Industries Commission (KVIC) functioning as the nodal agency at the national level. At the state level, the scheme is implemented through State KVIC Directorates, State Khadi and Village Industries Boards (KVIBs), District Industries Centres (DICs) and banks. In such cases KVIC routes government subsidy through designated banks for eventual disbursement to the beneficiaries / entrepreneurs directly into their bank accounts.</p> <p>Eligibility: Any individual, above 18 years of age. At least VIII standard pass for projects costing above Rs.10 lakh in the manufacturing sector and above Rs. 5 lakhs in the business / service sector. Only new projects are considered for sanction under PMEGP. Self Help Groups (including those belonging to BPL provided that they have not availed benefits under any other Scheme), Institutions registered under Societies Registration Act,1860; Production Co-operative Societies, and Charitable Trusts are also eligible.</p> <p>Amount or percentage of subsidy: The maximum cost of the project/unit admissible in manufacturing sector is ₹ 25 lakhs and in the business/service sector, it is ₹ 10 lakhs. Categories of Beneficiary's Rate of subsidy under PMEGP (of project cost) Area (location of project/unit) General category 15%(Urban), 25%(Rural), Special 25%(Urban), 35%(Rural)</p> <p>(including SC/ ST/ OBC/ Minorities/Women, Ex-servicemen, Physically</p>	https://msme.gov.in/	Central

			handicapped, NER, Hill and Border areas, etc.)		
			The balance amount of the total project cost will be provided by the banks in the form of term loan and working capital.		
14	Scheme for Integrated Textile Parks (SITP)	Government of India, Ministry of Textiles (MoT)	<p>Scheme summary/Key features: The scheme is for the period of three years i.e., from April 01, 2017 to March 31, 2020. The primary objective of the Scheme is to provide financial assistance to a group of entrepreneurs to establish state-of-the-art infrastructure facilities in a cluster for setting up their textile units, conforming to international environmental and social standards and thereby mobilize private investment in the textile sector and generate fresh employment opportunities.</p> <p>The government is considering a plan to set up 1,000-acre mega textile parks as it revamps the Scheme for Integrated Textile Park (SITP) whose slow progress is attributed to delay in obtaining land and other statutory clearances from state governments and slow fund mobilisation by the textile parks. Launched in 2005, the scheme aims to provide industry with state-of-the-art world-class infrastructure facilities for setting up their textile units. Each Integrated Textile Park (ITP) under the scheme would normally have 50 units. The number of entrepreneurs and the resultant investments in each ITP could vary from project to project.</p> <p>Under the SITP, infrastructure facilities for setting up of textile units are developed in a Public-Private- Partnership (PPP) model.</p> <p>Eligibility: Industry Associations, Groups of Entrepreneurs and Agencies of the State Governments would be the main promoters of the Integrated Textile Parks (ITPs). At each ITP, there would be a Special Purpose Vehicle (SPV) formed by the representatives of local Industry, Financial Institutions, State industrial and infrastructural corporations, and other agencies of State and Central Governments. The SPV shall invariably be a Corporate Body registered under the Companies Act. The net worth of each promoter should not be less than 1.5 times of his/her total equity proposed in the project. Any other structure for the SPV would require the approval of the Project Approval Committee.</p> <p>Amount or percentage of subsidy: The Government of India grants up to 40% of the project cost. However, it grants up to 90% of the project cost for the first two projects (each) in the North Eastern States, Himachal Pradesh, Uttarakhand and Union Territory of Jammu Kashmir and Union Territory of Ladakh. The government's support is limited to Rs. 40 crores for each textile park.</p>	<p>https://economictimes.indiatimes.com/</p> <p>https://pib.gov.in/PressReleaselframePage.aspx?PRID=1655530</p>	Central
15	In-situ Upgradation of Plain Power looms	Government of India, Ministry of Textiles (MoT)	<p>Scheme summary/key features: The prime objective of the scheme is to upgrade existing plain looms to semi-automatic/shuttle-less looms to improve quality and productivity of the fabric being produced by way of fixing certain additional attachments/kits and enable them to face the competition in domestic and international markets, by way of providing financial assistance to economically weaker low-end power loom units. The scheme came into operation from 1st April 2017 and will be up to 31st March 2020.</p>	<p>http://texmin.nic.in/schemes</p> <p>https://ipowertexindia.gov.in/in-situ-upgradation-of-plain-powerlooms.htm</p>	Central

		<p>Eligibility: A Power loom unit having power loom permit / Acknowledgement against Information Memorandum issued by Regional Office of the Textile Commissioner for installation of the Power looms (or) SSI registration (or) Udyog Aadhar Memorandum (or) Electricity bill for the unit address/name of the owner are provided, is eligible for assistance under the scheme. Power loom unit having a maximum 08 (eight) existing plain power looms, as per Power loom Permit / Acknowledgement are only eligible for availing the benefit under the scheme. Priority would be given to units having less than 4 looms. A unit should have electricity bill in its name or in the name of the owner of the unit or if the premises is on rental basis necessary power sharing agreement between lessor and lessee.</p>		
		Amount or percentage of subsidy:		
		The applicant will be eligible for		
		For in-situ up-gradation of subsidy: the existing plain power looms to Semi- automatic shuttle looms/attachment of doobby, jacquard/pirn winding machine.		
		For in-situ up-gradation of existing upgraded semi -automatic shuttle looms to shuttle-less rapier looms and		
		For in-situ up-gradation of existing plain power looms directly to shuttler-less rapier looms		
16	Group Work shed Scheme (GWS)	<p>Scheme Summary/Key features: The Government of India has implemented the Group Work shed Scheme to simplify the establishment of work sheds in a new cluster or upgrade an existing cluster. The scheme is operative from 1st April, 2017 and would be for a duration up to 31 March, 2020. According to Group Work shed Scheme, only 40% of the loomage would be accepted under weaving preparatory like Sectional warping machine, Sizing machine, etc.</p> <p>This 40% loomage will also comprise of areas for common facilities such as sample display room, testing lab, office and worker's Amenities.</p> <p>The beneficiary is permitted to avail infrastructure benefits like:</p> <p>Internal Road can be laid to the extent of up to 10% of the expenditure provided.</p> <p>A total number of four sheds or more will be provided, and a minimum of one of these sheds will be proposed for the house of weavers with or without power looms.</p> <p>The beneficiaries are not generally eligible for any infrastructure benefits under other schemes of Ministry of Textiles apart from the Group Work shed Scheme.</p> <p>Eligibility: The beneficiaries eligible to apply for this Scheme includes Weavers and Entrepreneurs associated with power-loom units, including master weavers, registered co-operative societies of power-loom weavers or any new entrepreneurs individually or in a group. A group of individuals applying towards claiming benefits under Group Work shed Scheme should consist of a minimum of four weavers or entrepreneurs having a separate legal entity. Inside the Work shed either 48 modern looms (automatic/ single width shuttle-less looms) or 24</p>	<p>http://texmin.nic.in</p> <p>http://texmin.nic.in/schemes</p>	Central

			<p>wider-width shuttle-less looms with four persons in a group are to be installed. Each beneficiary should have at least four looms. Only machinery which are TUFs (Technology Up-gradation Fund Scheme) compatible can be installed.</p>		
			<p>Amount or percentage of subsidy: The Group Work shed Scheme also provides its beneficiaries with land and construction cost at Subsidized prices. This is depicted in the table shown below:</p>		
17	Yarn Bank Scheme	Ministry of Textiles Govt, of India	<p>Scheme summary/key features: To provide interest free corpus fund to Special Purpose Vehicle (SPV) / Consortium to enable them to purchase yarn at wholesale rate and give the yarn at reasonable price to the small weavers.</p> <p>To avoid middle man/ local supplier's brokerage charge on sales of yarn. .</p>	<p>https://ipowertexindia.gov.in/yarn-bank-scheme.htm</p>	Central
			<p>Eligibility: Minimum 11 members required to form Special Purpose Vehicle (SPV).</p> <p>The Members of SPV should be Power loom Weavers, Master Weavers, Co-operative Societies, Private Entrepreneurs, NGO's working for Power loom Sector.</p>		
			<p>SPV has to provide Bank Guarantee to the extent of 25% of Govt. of India share.</p>		
			<p>SPV shall arrange their own fund equal to Government contribution.</p>		
			<p>SPV shall rotate the corpus fund including their contribution at least 4 – 5 times in a year.</p>		
			<p>Amount or percentage of subsidy: Government shall provide interest free corpus fund of maximum Rs 200 Lakh per yarn bank to SPV/Consortium.</p>		
18	Common Facility Centre (CFC)	Government of India, Ministry of Textiles (MoT)	<p>Scheme summary/key features: The scheme is operative from 1st April, 2017 and would be for a duration up to 31 March, 2020. The Under Comprehensive Scheme for Power loom Sector Development one of the scheme is Common Facility Centre (CFC) and the objective of this scheme is to provide financial assistance for setting-up of Common Facility Centres such as design centre / studio, testing facilities, training centre, information cum trade centre and common raw material / yarn / sales depot, water treatment plant for industrial use, dormitory, workers' residential space, common pre-weaving facilities viz. yarn dyeing, warping & sizing, twisting etc., and post weaving facilities viz. processing, etc.</p>	<p>http://texmin.nic.in</p>	Central
			<p>Eligibility: Minimum 11 members required to form Special Purpose Vehicle (SPV). The Members of SPV should be Power loom Weavers, Master Weavers, Co-operative Societies, Private Entrepreneurs, NGO's working for Power loom Sector. SPV shall have Own Land/Building (or) Leased Land/Building registered in favour of SPV for minimum period of 10 Years. Only TUFs compatible machineries to be installed.</p> <p>Amount or percentage of subsidy: Government shall provide subsidy of maximum Rs 200 Lakh per CFC</p>		
19	Pradhan Mantri Credit scheme for Power loom Weavers	Government of India, Ministry of Textiles (MoT)	<p>Scheme Summary/key features: The scheme is operative from 1st April, 2017 and would be for a duration up to 31 March, 2020. The Scheme was launched to support the establishment of power loom units across the country. Through this scheme, financial assistance will be provided to decentralized power loom units or weavers. To provide financial assistance through Margin Money Subsidy and interest reimbursement as against the credit facility (term loan) availed under Pradhan Mantri Mudra Yojana (PMMY) to the decentralised power loom units/weavers.</p>	<p>http://texmin.nic.in/</p>	Central
			<p>Margin Money Subsidy as against the credit facility (term loan) availed under Stand-up India scheme by the SC, ST & Women Entrepreneur of the</p>		

			<p>decentralised power looms units/weavers to meet their credit requirements such as for investment needs (Term Loan) and working capital etc.</p> <p>Eligibility: Existing individual power loom units (or) New individual / group enterprises involved in weaving activity.</p> <p>Amount or percentage of subsidy: Under this scheme, the Central Government will provide margin money subsidy of up to twenty per cent of the project cost with a cover of Rs 1,00,000 as well as interest subsidy at 6% per cent per annum for working capital, and a term loan of up to Rs 10,00,000 for a maximum period of five years.</p>		
20	Solar Energy Scheme for Power looms	Government of India, Ministry of Textiles (MoT)	<p>Scheme Summary/key features: To provide financial assistance/capital subsidy for installation of On Grid Solar Photo Voltaic Plant (without Battery back -up) and Off Grid Solar Photo Voltaic Plant (with Battery back-up) by small power loom units to attain sustainable development goal of Government and to give thrust to renewable energy.</p> <p>Eligibility: Power loom units having up to 8 Looms.</p> <p>Power loom permit / Acknowledgment issued by the concerned Regional Office of the Textile Commissioner.</p> <p>Units should have shade free roof top/ area.</p> <p>Amount or percentage of subsidy: The subsidy will be provided to both credit-linked and non-credit linked solar projects. The subsidy will be released only for the installation of a solar project for running power loom units and not for individual components</p>	http://texmin.nic.in/	Central
21	Grant-in-Aid and Modernisation & Upgradation of Power loom Service Centres (PSCs)	Government of India, Ministry of Textiles (MoT)	<p>Scheme Summary/key features: A comprehensive scheme is launched as the Comprehensive Scheme for Power loom Sector Development and the same came into effect on 1st April, 2017 and would be for a duration up to 31 March, 2020. 15 Power loom Service Centres under Office of the Textile Commissioner (Tx.C), 26 Textile Research Associations (TRAs) and 6 State Govt. offer various services like training, sample testing, design development, consultancy, conducting seminar/ workshop, etc. to the power loom sector on behalf of the Government.</p> <p>The Govt. assistance will be provided for modernization and upgrading the Power loom Service Centres with the facilities which are required in the cluster. This would include improving testing facilities and also installing modern looms to create awareness of the latest available technologies and provide training. Further, the Power loom Service Centres would also be provided with Preparatory machines, testing instruments, Sewing machines for Garment and Apparel, Embroidery Machines, Design Development facilities etc.</p> <p>Eligibility: Power loom service centres</p> <p>Amount or percentage of subsidy: Grant-in-Aid (GIA) is provided to the PSCs of TRAs/ State Govt. agencies for the recurring expenses for running the PSCs</p>	http://texmin.nic.in/	Central
22	Modified Comprehensive Power	Government of India, Ministry of	<p>Scheme Summary/key features: Comprehensive Power loom Cluster Development Scheme (MCPDCS) was established to develop Erode (Tamil Nadu) and Bhiwandi (Maharashtra) as Power loom Mega Clusters. This helps</p>	http://texmin.nic.in/	Central

	Loom Cluster Development Scheme (MCPCDS)	Textiles (MoT)	<p>in creating world-class infrastructure to integrate the production chain and to reach the fulfilment of business needs of the local and Small and Medium Enterprises (SMEs). The scheme intends to enhance the existing brownfield clusters that require a gap filling exercise for each cluster to identify the need-based infrastructure that has to be funded.</p> <p>Develop clusters that have a concentration of about 5000 decentralized Power looms or more by assistance for infrastructure, common facilities and other need-based innovations, technology upgradation and skill development.</p> <p>Eligibility: Common Facility Centres (CFCs) for pre and post weaving process, Mini-Industrial Parks with Work sheds supported by Core Infrastructure, Innovative Ideas and other need-based interventions.</p> <p>Amount or percentage of subsidy: Matching investment in the ratio of Government (60): Private (40). Government of India provides subsidy of 60% of the project cost with maximum ceiling up to Rs 50 crore.</p>		
23	Integrated Processing Development Scheme (IPDS)	Government of India, Ministry of Textiles (MoT)	<p>Scheme Summary/key features: This scheme is designed to counter challenges such as non-availability of water for processing and environmental pollution caused by the discharge of untreated effluents. Considering the widespread prevalence of small and medium enterprises in this sector, IPDS will develop parks with common facilities such as effluent treatment plants and water supply systems that can be used by clusters of processing units. The focus areas are: Adequate and timely supply of water, Wastewater management and Safe treatment of effluents before disposal</p> <p>Eligibility: The eligible projects under the scheme would cover the following:</p> <p>Common Effluent Treatment Plant (CETP),</p> <p>Captive power generation on technology preferably renewable/green technology,</p> <p>Infrastructure such as storm water management, necessary roads and pipelines for water & wastewater and</p> <p>Facility for testing and R&D centres.</p> <p>Amount or percentage of subsidy: The project cost shall be borne by the Centre, State, Beneficiary, Bank loan in the ratio of 50:25:15:10 respectively. The release will be made as per the following:</p> <p>Beneficiary contribution through equity of 15 percent of project cost shall be brought up front</p> <p>10 percent funding to be arranged through Bank Loans 25 percent contribution of State Government at the time of release of 2nd instalment of GOI Grant released.</p> <p>The GOI grant (50% of the total Project cost) shall be released in 3 instalments –</p>	<p>http://www.texmin.nic.in</p>	Central

			<p>50 percent of the GOI grant to be released initially after beneficiary contribution (1st instalment)</p> <p>30 percent of the GOI grant once the plant is operational (2nd instalment)</p> <p>20 percent GOI grant once the plant has been run for 3 years (3rd instalment)</p>		
24	SAMPADA (Scheme for Agro-Marine Processing and Development of Agro Processing Clusters)	Government of India, Ministry of Food Processing Industries (MoFPI)	<p>Scheme Summary/key features: Central Sector Scheme – SAMPADA (Scheme for Agro-Marine Processing and Development of Agro-Processing Clusters) was approved by the Cabinet Committee on Economic Affairs (CCEA) in 2017. This umbrella scheme has now been renamed as the “Pradhan Mantri Kisan Sampada Yojana (PMKSY). PM Kisan SAMPADA Yojana is a comprehensive package which will result in creation of modern infrastructure with efficient supply chain management from farm gate to retail outlet. It will not only provide a big boost to the growth of food processing sector in the country but also help in providing better returns to farmers and is a big step towards doubling of farmers income, creating huge employment opportunities especially in the rural areas, reducing wastage of agricultural produce, increasing the processing level and enhancing the export of the processed foods. The following schemes will be implemented under PM Kisan SAMPADA Yojana:</p> <p>Mega Food Parks</p> <p>Integrated cold chain and value-added infrastructure</p> <p>Creation/expansion of food processing</p> <p>Infrastructure for Agro processing clusters</p> <p>Creation of backward and forward linkages</p> <p>Food safety and quality assurance infrastructure</p> <p>Human resources and institutions</p> <p>Amount or percentage of subsidy: The pattern of assistance can be seen under each scheme mentioned in the scheme guidelines</p>	https://mofpi.nic.in/	Central
25	Market Development Assistance Scheme for Micro/ Small manufacturing enterprises/ Small & Micro exporters (SSI-MDA)	Government of India, Ministry of Micro, Small & Medium Enterprises (MSME)	<p>Scheme Summary/key features:</p> <p>The scheme was launched to encourage Small & Micro exporters in their efforts at tapping and developing overseas markets.</p> <p>To increase participation of representatives of small/ micro manufacturing enterprises under MSME India stall at International Trade Fairs/ Exhibitions.</p> <p>To enhance export from the small/ micro manufacturing enterprises (iv) To popularise the adoption of Bar Coding on a large scale.</p>	https://msmedildh.gov.in/MDA.pdf	Central

			<p>Eligibility: Unit having valid permanent registration with Directorate of Industries/ District Industries Centre,</p>		
			<p>Amount or percentage of subsidy:</p>		
			<p>Participation by manufacturing Small & Micro Enterprises in International Trade Fairs/ Exhibitions under MSME India stall- up to 75% in respect of to and fro air fare for participation by MSME Entrepreneurs in overseas fairs/trade delegations</p>		
			<p>Sector specific market studies by Industry Associations/ Export Promotion Councils/ Federation of Indian Export Organization- funding for producing publicity material (up to 25% of costs) Sector specific studies (up to Rs. 2 lakhs)</p>		
			<p>Initiating/ contesting anti-dumping cases by SSI Associations- 50% up to INR 1 lakh</p>		
			<p>Reimbursement of 75% of one-time registration fee (w.e.f. 1st. Januar2002) (Under MDA Scheme) and 75% of annual fees (recurring) (w.e.f. 1st June 2007) (Under NMCP Scheme) paid to GSI (Formerly EAN India) by Small & Micro units for the first three years for bar code</p>		
26	Micro & Small Enterprises – Cluster Development Programme (MSE-CDP)	Government of India, Ministry of Micro, Small & Medium Enterprises (MSME)	<p>Scheme Summary/key features:</p>	https://msme.gov.in/site	Central
			<p>To support the sustainability and growth of MSEs by addressing common issues such as improvement of technology, skills and quality, market access, access to capital, etc.</p>	http://laghu-udyog.gov.in/MSE-CDProg.htm	
			<p>To build capacity of MSEs for common supportive action through formation of self- help groups, consortia, upgradation of associations, etc.</p>		
			<p>To create/upgrade infrastructural facilities in the ne/existing industrial areas/ clusters of MSEs, including setting up of Flatted Factory Complexes.</p>		
			<p>To set up common facility centres (for testing, training centre, raw material depot, effluent treatment, complementing production processes, etc.)</p>		
			<p>Eligibility: The projects sanctioned under erstwhile SICDP (renamed MSE- CDP) and Integrated Infrastructural Development (IID) schemes will also be eligible for financial support issued under the scheme as per earlier approvals.</p>		
			<p>Amount or percentage of subsidy: The financial assistances for various interventions are: -</p>		
			<p>Preparation of Diagnostic Study Report with Government of India (GoI) grant of maximum Rs 2.50 lakh. For the field organizations (MSME-Dis) of the Ministry of MSME, this will be Rs 1.00 lakh.</p>		
			<p>Soft Interventions with GoI grant of 75% of the sanctioned amount of the maximum project cost of Rs 25.00 lakh per cluster. For NE & Hill States, Clusters with more than 50% (a) micro/ village (b) women owned (c) SC/ST units, the GoI grant will be 90%.</p>		
			<p>Detailed Project Report (DPR) with GoI grant of maximum Rs 5.00 lakh for preparation of a technical feasibility and viability project report.</p>		

			<p>Hard Interventions in the form of tangible assets like Common Facility Centre having machinery and equipment for critical processes, research and development, testing, etc. with GoI grant up to 70% of the cost of project of maximum Rs 15.00 crore. For NE & Hill States, Clusters with more than 50% (a) micro/ village (b) women owned (c) SC/ST units, the GoI grant will be 90%.</p> <p>Infrastructure Development with GoI grant up to 60% of the cost of project of Rs 10.00 crore, excluding cost of land. GoI grant will be 80% for projects in NE & Hill States, industrial areas/ estates with more than 50% (a) micro (b) women owned (c) SC/ST units.</p>		
27	Digital MSME" Scheme for promotion of Information and Communication Technology (ICT) in MSME Sector	Government of India DC(MSME), Ministry of Micro, Small & Medium Enterprises	<p>Scheme Summary/key features: The main objective of scheme is to make MSMEs digitally empowered and motivate them to adopt ICT tools and applications in their production & business processes with a view to improve their competitiveness in national and international market.</p> <p>Besides this, it aims to empower and enable MSMEs to harness IT as a medium of communication to revamp access to the markets to update their managerial and technical knowledge through online content-both static and dynamic and to evolve internal efficiencies by way of intense ICT intake and</p> <p>This scheme is a component of Credit Linked Capital Subsidy Scheme for Technology Up-gradation (CLCS- TU)</p> <p>automating procedure for cost reduction and capacity enhancement for information access, processing, collaboration and dissemination.</p> <p>The Ministry of Micro, Small and Medium Enterprises (MSME) has released new guidelines for the "Digital MSME" Scheme for promotion of Information & Communication Technology in MSME Sector.</p> <p>This scheme is a component of Credit Linked Capital Subsidy Scheme for Technology Up-gradation (CLCS- TU)</p> <p>According to the new guidelines, the main components of the scheme would include Awareness Program and Work Shop, Development of e-Platform, Development of software/Apps for MSMEs, Digital Literacy and e-marketing, Training to MSME officials, MSMEs, Professionals etc.,</p> <p>This scheme is a component of Credit Linked Capital Subsidy Scheme for Technology Up-gradation (CLCS- TU)</p> <p>Digital Empowerment through Enterprise Development Centre (EDC), Assistance for IT infrastructure to various Implementing Agencies (IA) up to Rs.10 lakhs per IA, Futuristic developments, Publicity, Branding and Mobilization, impact Assessment and Survey including Data Analytics and Miscellaneous Expenses.</p> <p>Eligibility:</p> <p>Udyog Aadhar memorandum number</p> <p>MSME must pay for the services provided</p> <p>Selection will be based on first come first serve plan</p> <p>Financial stability, Product ability, export, the scope for advancement shall be considered.</p>	<p>http://msme-tc-nr.gov.in/</p> <p>https://knnindia.co.in</p>	Central

			<p>Amount or percentage of subsidy:</p> <p>Awareness activities and workshops</p> <p>Cloud Computing- this service will be provided in three layers</p> <p>With subsidy- Maximum of Rs 1 lakh for 2 years</p> <p>Without subsidy- services from the cloud at very low cost</p> <p>Market cost- No exceptions</p> <p>Publicity, Branding, mobilization, Assorted expenses</p> <p>Development of e- platform, software apps, assistance through IT infrastructure</p> <p>Enterprise Facilitation centres for enabling digitization.</p> <p>Working of the Digital MSME Scheme</p>	
28	Support for Entrepreneurial and Managerial Development of SMEs Through Incubators	Government of India, Ministry of Micro, Small and Medium Enterprises	<p>Scheme Summary/key features:</p> <p>There are multiple objectives of the scheme, some of which are:</p> <ul style="list-style-type: none"> To promote emerging technological and knowledge based innovative ventures that seek the nurturing of ideas from professionals. To promote and support untapped creativity of individual innovators and also to assist individual innovators to become technology-based entrepreneurs. To promote networking and forging of linkages with other constituents of the innovation chain for commercialization of their developments. <p>Eligibility:</p> <p>Any individual or MSME with innovative ideas ready for commercialisation can apply to the host institution (e.g., IITs, NITs, technical colleges, research institutes, etc.) in order to obtain fund support. See the list of host institutions at following web address: http://www.dcmsme.gov.in/schemes/Institutions_Detail.pdf</p> <p>Any technical institution (as given in the EoI) that wants to become a host institution can apply to the office of the Development Commissioner-MSME or their nearest MSME-DI for funding support.</p>	<p>https://www.startupindia.gov.in/content/sih/en/government-schemes/entrepreneurial_managerial_development.html</p> <p>Central</p>

			<p>Amount or percentage of subsidy:</p> <p>Funding support for setting up of 'Business Incubators (BI)': The cost may vary from Rs 4 to 8 lakh for each approx./idea, subject to overall ceiling of Rs 62.5 lakh for each BI.</p> <p>a) Upgradation of infrastructure Rs 2.50 lakh</p> <p>b) Orientation/training Rs 1.28 lakh</p> <p>c) Administrative expenses Rs 0.22 lakh</p> <p>Total assistance per BI Rs 66.50 lakh</p> <p>Around 10 ideas will be incubated by the BI</p>		
29	Design Clinic for Design Expertise to MSMEs	Government of India, Ministry of Micro, Small and Medium Enterprises	<p>Scheme Summary/key features: Objectives of the scheme Design Clinic Scheme for Design Expertise to MSME manufacturing sector.</p> <p>To create a sustainable design eco system for the MSME sector through continuous learning and skill development</p> <p>Bring the industrial design fraternity closer to the MSME Sector</p> <p>Develop an institutional base for the industry's design requirement;</p> <p>Increase the awareness of the value of design and establish design learning in the MSME</p> <p>Increase the competitiveness of local products and services through design.</p> <p>Eligibility: All MSMEs with EM registration.</p> <p>Amount or percentage of subsidy: Design Workshop</p> <p>Total time allocated for each workshop is 3 – 5 days.</p> <p>One day will be spent in visiting Cluster & understanding issues concerned with cluster. Thereafter there will be training on design clinic solution delivered</p>	https://msme.gov.in	Central

		<p>by an expert or a group of experts in an interactive manner. (GOI contribution Rs. 3.75 lakh per programme). ii. Design Projects – Professional Design Projects & Students Design Projects.</p>		
		<p>Professional Design: To facilitate MSMEs to develop new Design strategies and or design related products and services through project interventions and consultancy. (GoI contribution @ 75% for micro, 60% for SMEs for the project range Rs. 15 lakh to Rs. 40 lakh.)</p>		
		<p>Students Design Projects:</p>		
		<p>Students in the final year under UG/PG programmes from institutions recognized by design clinic centre are eligible under this activity for the project work done for respective MSMEs. (GOI contribution @ 75% for the project cost of Rs. 2 lakh)</p>		
30	Enabling Manufacturing Sector to be Competitive through QMS&QTT	<p>Government of India, Ministry of Micro, Small and Medium Enterprises</p>	<p>Scheme Summary/key features:</p> <p>This scheme envisages Micro and Small Enterprises to understand and adopt the latest Quality Management Standards (QMS) and Quality Technology Tools (QTTs) to become more competitive and produce better quality products at competitive prices. The adoption of these features will enable MSEs to achieve the following:</p> <ul style="list-style-type: none"> Efficient use of resources Improvement in product qualities Reduction in rejection and rework of manufacturing Reduction in building up the inventory at the various stages in the form of raw materials, finished components, work-in-progress and finished products <p>This will also enable the MSE enterprises to enter into or strengthen their position in the export market.</p> <p>The Competition Watch sub-component of this QMS/QTT scheme will enable Indian MSE organisations to understand the foreign products that are penetrating in Indian markets.</p> <p>Eligibility: Micro & Small enterprises having Entrepreneurs Memorandum and considered eligible to take benefit under the QMS/QTT Scheme The individual units (preferably from specific products in groups) will be considered under the MSME QMS/QTT Scheme. Micro and small enterprises will be selected from the clusters under study or intervention by this Ministry and clusters identified by the Organizations and Ministries</p> <p>Amount or percentage of subsidy:</p>	<p>https://my.msme.gov.in/MyMsmeMob/MsmeScheme/Pages/ssub_2.html</p> <p>Central</p>

			<p>Gol contribution of Rs.2.5 lakh for professional study on threatened products.</p> <p>Gol contribution of Rs.7.5 lakh for technical exposure visit</p> <p>Gol contribution of Rs.2.5 lakh for procurement of samples</p> <p>Gol contribution of Rs.5 lakh for product development</p> <p>Gol contribution of Rs.1.5 lakh for popularisation of improved products</p> <p>Gol contribution of Rs.2.5 lakh/unit for covering the costs of diagnostic study and for implementation of Quality Technology Tools/Quality Management Standards (25 to 50% cost will be paid by the participating units)</p> <p>Gol contribution of Rs.2.5 lakh per SME for international visit (25% and 50% cost to be collected by the micro and small enterprise respectively)</p>	
31	Building Awareness on Intellectual Property Rights (IPR)	Government of India, Ministry of Micro, Small and Medium Enterprises	<p>Scheme Summary/key features:</p> <p>The objectives of the scheme are:</p> <p>To enhance the awareness of Intellectual Property Rights (IPRs) amongst the MSMEs to encourage creative intellectual endeavour in Indian economy;</p> <p>To take suitable measures for the protection of ideas, technological innovation and knowledge-driven business strategies developed by the MSMEs for;</p> <p>To provide appropriate facilities and support for protection and commercialization of Intellectual Property (IP) for the benefit of MSME sector;</p> <p>To assist SMEs in effective Utilization of IPR Tools for technology upgradation, market and business promotion and competitiveness enhancement</p> <p>Eligibility:</p> <p>For Patent, Geographical Indication and Trademark Reimbursement:</p>	<p>https://yourstory.com/smbstory/small-business-msmes-patents-intellectual-property-rights</p> <p>Central</p>

All MSMEs having Udyam Registration and also MSMEs which are included as per executive orders issued by the office of DC, MSME consistent with MSME Act from time to time.

Amount or percentage of subsidy:

Reimbursement for Patent /GI Registration/Trademarks, for setting up of IP Facilitation Centres, interactive Seminars /Workshops/Exhibitions and Awareness Programmes.

32	Coir Vikas Yajna (CVY)	Coir Board, Government of India, Ministry of MSMSE	Scheme Summary/key features:					https://udyamimitra.in/page/Subsidy-Schemes#women	Central
			<p><u>Coir Board's initiative Coir Vikas Yojana (CVY) entirely focuses on the enhancement of the MSME sector. Thus, encourages exploring domestic and international export markets. Further, keen emphasis on women empowerment, entrepreneurship, skill and training, innovation as well as manufacturing. Moreover, raw material usage, trade services, and coir activities are under the activities of Coir Vikas Yojana. Additionally, this is an extension of Mahila Coir Yojana (MCY).The programme offers a lot of benefits under various schemes:</u></p>						
			<p>Provision of equipments for coir spinning, coir-spinning ppr, machinery, materials, and other necessities with 75% subsidy under the scheme of Mahila Coir Yojana.</p>						
			<p>Imparting quality consciousness at grass root level among the workers and educating them about appropriate production methods related to standard quality yarn, fibre, and other products.</p>						
			<p>Creating awareness among entrepreneurs, coconut growers, and other stakeholders for setting up coir-based production units and modernising existing production units to achieve better quality, productivity, and improved earnings.</p>						
			<p>The Coir Vikas Yojana scheme includes two distinct components, namely, Mahila Coir Yojana and Skill Upgradation. Training is the primary objective of the scheme.</p>						
			Eligibility:						
			<p>Any individual in the MSME sector related to the coir establishment can apply for availing the benefits of the scheme. Yet, it is important to complete 5 years of the successful operation of the unit. Also, necessary to have a Udyog Aadhaar. However, the eligibility will differ for each scheme.</p>						
			Amount or percentage of subsidy:						

			<p>The Coir Board provides 75% cost of motorised Ratt/motorised traditional Ratt as one-time subsidy, subject to a ceiling of 7,500 in the case of motorised Ratt and 3,200 for motorised traditional and Electronic Ratt.</p> <p>The stipend per trainee for the skill development programmes will be limited to Rs.1000/- per month and in the case of training programmes of less than one-month duration, stipend will be disbursed on pro-rata basis. The honorarium for the trainer will be limited to Rs. 6,000/- per month. An amount of Rs.400/- per head per month will be provided as financial assistance to the training sponsoring agency to meet the operational cost of the training for raw material, power charges, other incidentals etc.</p>		
33	Scheme for Technology Upgradation/ Establishment/ Modernization for Food Processing Industries	Ministry of Food Processing Industries, Govt. of India	<p>Scheme summary/key features:</p> <p>This Scheme covers the following activities: Setting up/expansion/modernization of food processing industries covering all segments viz fruits & vegetable, milk product, meat, poultry, fishery, oil seeds and such other agri-horticultural sectors leading to value addition and shelf life enhancement including food flavours and colours, oleoresins, spices, coconut, mushroom, hops</p> <p>Eligibility: Food processing units</p> <p>Amount or percentage of subsidy:</p> <p>. The assistance is in the form of grant subject to 25% of the plant & machinery and technical civil work subject to a maximum of 50 lakh in General Areas and 33.33% up to 75 lakh in Difficult Areas (J&K, HP, Uttarakhand, Sikkim, North Eastern States, Andaman & Nicobar Islands, Lakshadweep)</p>	http://www.mofpi.nic.in/	Central
34	Interest Subsidy Eligibility Certificate (ISEC) for Khadi Institutions	Ministry of Micro, Small and Medium Enterprises, Govt. of India	<p>Scheme summary/key features:</p> <p>Under the ISEC Scheme, credit at a concessional rate of interest of 4% per annum for working capital, is made available as per the requirement of the institutions. The difference between the actual lending rate and 4% is paid by the Central Government through KVIC to the lending banks.</p> <p>While approving continuation of the scheme for implementation during XII plan</p>	https://www.startupindia.gov.in/content/sih/en/government-schemes/isec_khadi.html	Central

			<p>period, Govt. of India has approved a unified version of the scheme for Khadi and Polyvastra to facilitate seamless release of interest subsidy to the institutions.</p> <p>Eligibility:</p> <p>The Khadi institutions, having valid Khadi certificate and sanctioned khadi programme. The Institutions registered with the KVIC/State Khadi and Village Industries Boards (KVIBs) can avail of financing under the ISEC Scheme, the Scheme supports only the khadi and the polyvastra sector.</p> <p>Amount or percentage of subsidy:</p> <p>The Khadi institutions will apply to the financing bank for working capital along with the ISEC certificate issued by KVIC. Based on the working capital sanctioned, financing bank will raise the reimbursement claim to the nodal branch for the differential interest rate over and above 4%.</p>		
35	Science and Technology (S&T) for Coir Institutions	Ministry of Micro, Small and Medium Enterprises, Govt. of India	<p>Scheme summary/key features:</p> <p>Technology Transfer, Incubation, Testing, Training Entrepreneurs and Service Facilities for the coir MSMEs through extension of the outcomes of research (done at research institutes under the scheme) at the laboratory level for application at the field level and extension of testing and service facility are the objectives of the scheme. The Research and Development activities of the Board are carried out through the twin research institutes: The Central Coir Research Institute, Kalavoor and Central Institute of Coir Technology, Bangalore who uses the fund allotted to this scheme and then further aid the entities working in the coir industry. The scheme also aims at establishing technology incubation centres in one or many places for training the entrepreneurs in the new technologies developed and transferred. Continued implementation of the Scheme will result in development of new technologies for reducing drudgery and improving the quality and productivity of the coir products. Continued research activities will result in increasing the acceptance of the coir products both by internal and external markets.</p> <p>Eligibility:</p>	<p>https://www.startupindia.gov.in/content/sih/en/government-schemes/Science_and_technology.html</p>	Central

		<p>All coir production/processing units newly established will be eligible to apply for assistance. All coir production/ processing units registered with Coir Board under Coir Industry (Registration) Rules, 2008 and having Udyog Aadhar are eligible to apply for financial assistance for modernisation under this scheme.</p> <p>Amount or percentage of subsidy:</p> <p>The outcome of the research can be availed at the field level by approaching Research Centre for availing assistance in Technology Transfer, Incubation, Testing and Service Facilities of the research institutes (The Central Coir Research Institute, Kalavoor and Central Institute of Coir Technology, Bangalore)</p>		
36	Market Promotion & Development Scheme	<p>Ministry of Micro, Small and Medium Enterprises, Govt. of India</p> <p>Scheme summary/key features:</p> <p>The Market Promotion and Development Assistance Scheme (MPDA) has been launched as a unified scheme by merging different schemes implemented by the Khadi sector including publicity, marketing, market promotion and marketing development assistance. Further, grant/subsidy will also be available for construction of Khadi plazas. The overall objective of the scheme is to ensure increased earnings for artisans.</p> <p>Eligibility:</p> <p>The Khadi institutions, having valid Khadi certificate and categorised as A+, A, B and C only are eligible to avail MMDA grant from KVIC.</p> <p>Amount or percentage of subsidy:</p> <p>Modified MDA (MMDA) shall be allowed @ 30% on the Prime cost of Khadi (cotton, silk, woollen) and Polyvastra</p> <p>The Pattern of Assistance for strengthening of Infrastructure of Existing Weak Khadi Institutions</p>	<p>https://msme.gov.in/2-development-khadi-village-and-coir-industries</p>	Central
